Consent_note	Hello sir/ma'am, my name is [EnuName_Display], and I am calling from Stars Orbit on behalf of the United Nations World Food Programme. We are calling you to conduct a phone interview to better understand the food security situation of households. During this interview, we look to obtain information on food security, livelihoods, and general living conditions of you and your household that would help us in improving the tools used to assess households. Your household has been selected randomly in this area to participate in the study. Any information that you provide will be kept strictly confidential and will not be shared with other people. The outcome of this information is NOT IN ANY WAY linked to food assistance. This is voluntary and you can choose not to answer any or all of the questions if you want. However, we hope that you will participate since your views are important. Your participation is highly appreciated and will not influence your assistance status (whether assisted or not). This interview will take around 30 minutes to complete. The call will be recorded for data quality purposes only.		
RESPAvailable *(required)*	Is the respondent available to conduct the interview now?	0	No
